

SIMONE KANG

About Me

My name is Simone Kang, and I'm a computer science student at Texas A&M. I'm an organized and efficient worker with consistent and quality communication skills. I'm incredibly passionate about computer science and UI/UX design, as well as early education development.

EXPERIENCE

TUTOR

Church Volunteer & Sunhee Lee

2015 - Present

- Tutor in mathematics, computer science, and speech and debate/public speaking
- Tutors elementary and middle school-aged kids

TECHNOLOGY INTERN

SMK Insurance Company

Summer 2021
